Dear Mr. Andrews:

This communication is a follow up to our conversation of August 13, 2002 regarding the revised Decontamination Procedures for Steel Sheet Piles and Sampling Procedures for Steel Sheet Piles as part of the Remedial Action Work Plan for the Willow Brook and Willow Brook Pond.

We concur with the proposed modification as described in the document entitled Addendum to Remedial Action Work Plan dated June 27, 2002 and revised on July 2, 2002. We have no additional comments on the proposed modification.

Should you have any questions, please feel free to contact me at (617) 918-1354.

Sincerely,

Juan A. Pérez  
Environmental Scientist
